4. Name of your institution *

5. Is your institution a PRME Signatory Member? View a list of PRME Signatory Members.

Mark only one oval.

☐ Yes
☐ No
☐ Currently applying

6. In what country is your institution located? *
7. For which discipline are you applying? *

Mark only one oval.

☐ Accounting & Finance
☐ Marketing
☐ Economics
☐ Operations & Analytics
☐ Management (includes Human Resources, Strategy, International Business, Leadership)

8. Please upload your CV. *

It should not exceed three pages in length.

Files submitted:

9. Please upload your cover letter. *

The cover letter should showcase the passion for education and highlights of the full submission. The letter should reference how you advance the SDGs; the alignment to innovative aspects of your pedagogy, including meaning, joy, active engagement, social interaction, and iteration in your classroom; along with detailed measures taken to advance student skill set development.

Files submitted:

10. Please upload your letters of reference. *

Provide three (3) letters of reference: from your Dean or Department Head (1), a university peer (1), and a former student (1) to support the impact and effectiveness of the adopted pedagogy.

Files submitted:
11. **Please upload sample classroom lessons.**

Include examples of your classroom materials, assignments, or activities that highlight your innovative approach to teaching sustainability, if and how you’ve incorporated the SDGs, and responsible business education.

Files submitted:

12. **Please provide your narrative of delivery.**

A detailed description of the pedagogical approaches and their delivery (including innovative methods and creative strategies) that facilitate student engagement effectively in developing them as responsible decision makers of tomorrow.

13. **Please provide your teaching notes.**

Share any insights, reflections, and teaching notes that provide context and guidance to other faculty members who may want to implement similar pedagogical practices.
14. I understand that if I am selected as a finalist or winner, I will be required to work with the PRME Secretariat to prepare materials to showcase my work on the PRME website and will present my work at the virtual PRME Global Forum on 18 June, 2024.
