Launching the PRME Recognition Awards to recognise achievements in integrating the SDGs into business school strategy.

An invitation to submit nominations:

Submissions open on Monday 26th April 2021 and close on Monday 31st May 2021.

We are pleased to announce the introduction of the new PRME Recognition Awards:

- The PRME Faculty Recognition Award for excellence in SDG integration
- The PRME Student Recognition Award for excellence in SDG impact

We invite you to submit nominations for students and faculty who have done inspiring and impactful work on the SDGs in the period January 2020 to December 2020 and that exemplifies one or more of the Six Principles of PRME.

We welcome nominations for individuals or groups for both the faculty and the student awards. It is a peer nomination process and requires a motivation, with supporting evidence, and additional commendations where possible.

Nominations are welcome from all stakeholders and the focus is on peer recognition and recognition by others, including students, faculty, and staff, colleagues from partner organisations in business, the nonprofit sector, the public sector, research institutions, and community organisations.
