Community is welcome to submit a special focus on the 17th of October is specifically Mindful Impact.

Rethink, Reimagine, and Redesign for researchers at different stages: designed as a bouquet of offerings editors, mentors, and participants. Their dedication made this workshop truly remarkable.

Thanks to mentors Laura Toschi, Cristina Rossi-Lamastra, Daniela Bolzani, Magali Fia, Annamaria Tuan, and participants broke into six roundtables to discuss 23 papers submitted from various Italian institutions. Many was a fantastic opportunity for open conversations and engaging questions from participants. In the afternoon, PRME World Tour Organizing Committee Andrew Crane’s insightful speech on “Conducting Impactful Research.”
